

# European Lipoprotein Club

**Minutes from the ELC Annual Members' Assembly September 6<sup>th</sup>, 2017, Tutzing, Germany.**

The meeting was chaired by Anne Tybjaerg-Hansen (Chairman, ELC)

The number of abstracts submitted (89) and country of origin (20 different countries) and number of those accepted (81 accepted: 33 oral presentations and 48 posters) was presented and discussed. The number of submitted abstracts was considerably higher than in 2016, but within the normal fluctuations observed in the past.

The major sponsors were acknowledged and thanked (main sponsors: EAS and Deutsche Forschungsgemeinschaft; contributing sponsors: Sable Systems, Numares Health, Nebion, Akcea Therapeutics).

## **Election of new members**

The list of the present organizing committee (OC) members was presented and outgoing members were thanked (outgoing: Dimitris Kardassis, Heraklion, Greece; Anne Tybjærg-Hansen, Copenhagen, Denmark; Jan Borén, Gothenburg, Sweden). The nomination process and timeline for members was explained, and the 3 nominated members were presented. Stefan Nilsson, Umeå, Sweden, and Kevin Jon Williams, Gothenburg, Sweden and Philadelphia, USA were elected to the OC in an anonymous ballot. The new EAS representative on the OC committee (elected for the period: 2018-22), Ruth Frikke-Schimdt, was presented. The nomination procedure (2 members nominated by the EAS OC from amongst the OC members) and the election procedure (ELC OC by majority vote from the 2 members suggested by the EAS OC) was explained.

The dates and deadline for submission of abstracts for the 2018 meeting were presented (September 10-13, 2018 in Tutzing; deadline for submission of abstracts May 1<sup>st</sup>, 2018).

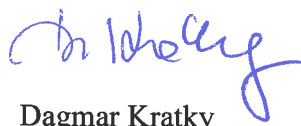

There were no changes in the wording of the ELC statutes.

The registration for 2018 was unchanged; ≤35 years: 200 EUROS and >35 years: 400 EUROS.
